

Community J9 Training

Venue:

Date:

Time:

To book a place,
please contact:

J9 was established to raise awareness and understanding of domestic abuse and create safe spaces where victims can access help.

Community J9 training aims to ensure that professionals are equipped to respond and refer victims of abuse appropriately and effectively.

The J9 initiative is named in memory of Janine Mundy who was killed by her estranged husband in June 2003 while he was on police bail.
