

SETDAB Champion Network ToR

1. Purpose

To establish and maintain a multi-agency network of Domestic Abuse Champions to:

- Improve awareness, identification, and response to domestic abuse
- Strengthen partnership working across SETDAB
- Support consistent, high-quality practice across agencies

2. Objectives

- Embed DA awareness across all partner agencies
- Improve referral pathways and system navigation
- Share best practice, training, and intelligence
- Identify system gaps and influence service development

3. Membership

The network will include:

- Named DA Champions from partner agencies
- SETDAB representatives (chair/coordination role)

4. Governance

- SETDAB Champion Network will sit within the SETDAB partnership governance
- Champion agencies to nominate Champion's and ensure attendance and active participation
- Champion's will be expected to feedback to their relevant agencies

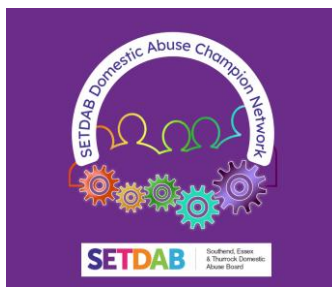

5. Meetings

- Frequency: Bi-annual
- Additional workshops/events as offered by agencies

6. Roles and Responsibilities (Network Level)

SETDAB

- Coordinate network
- Signposting to training and resources
- Evaluate impact of network

Members (Champions)

Fulfil requirements in the role description, including:

- Actively contribute to meetings
- Cascade and share information from SETDAB including pathways, communications work, multi-agency links and insights within their organisation
- Ensure learning from DARDRs is cascaded and embedded through organisations
- Highlighting development areas that network could support
- Share own agency expertise, knowledge and resources with network
- Share lived experience insights and represent service user perspectives

7. Decision-Making

- Consensus-based approach
- Escalation to SETDAB governance where required

8. Information Sharing

- In line with GDPR and safeguarding requirements
- Strategic and thematic data only

9. Measures of success

- Number of champions recruited
- Number of champions actively involved network
- Increased referrals and appropriate signposting into DA services
- Evidence of improved cross-agency coordination e.g. participation in MARAC, professional meetings etc.

10. Review

- Annual review
